

Docksiders Gymnastics

May 1, 2013

Dear Sponsor,

Every year Maryland Gymnastics, a 501 c (3), the parent organization of Docksiders Gymnastics, hosts the “Chesapeake Challenge” golf tournament, and we would love to feature your business as one of our sponsors! We are seeking monetary donations or product/service donations; either way, your tax deductible donation will help support this vital gymnastics experience for hundreds of area kids.

Your *monetary* donation would directly help defray the monetary costs of running the gymnastics facility for our team of over 100 boys and girls, ensuring that the youth of our community build strong bodies and a strong work ethic that will serve them for the rest of their lives. In turn, we would feature your business name as a tournament sponsor, according to the attached schedule.

Your *product/service* donation would be used as either a tournament prize or for the Silent Auction we hold during the golf tournament, which raises money for the parent organization. Your business would be listed as a valued supporter of Docksiders Gymnastics, and we will publicize your business name as we give your product/service to the lucky winner.

Steve Pimpo is this year’s golf tournament chairperson, and he can answer any questions or concerns you may have about the Chesapeake Challenge Golf Tournament. His email address is sjpimpo@comcast.net. Thank you in advance for your support – it means the world to a great group of kids!

Sincerely,

Bob Ouellette
